Welcome to the new term and to the new year. Our Sunday morning series this term will be looking at what it means for us to put the love of God that is within us into action. There is also material provided (six sessions) to allow Roots Groups to follow the same agenda. We also have a visit on 25th February from Mark Aldridge (the speaker who delivered the 'Learning to Hear God's Voice' material on DVD, which Roots Groups used last year), so that you can all see that he is a real person!

Meanwhile in the evenings we will be working our way through John's first epistle, as well as having a couple of 'Going Deeper' evenings (21st January and 25th March) and a visit from Rachel Harris of Praise Community Church for a New Wine Celebration (18th February).
