Holiday Club Band

Owing to a number of band members from previous years being away during Holiday Club, we need to recruit new members. They will need to be fairly confident as there are not many rehearsals. Ideally, we are looking for children, but older people may also apply! Please speak to Sam Brailsford (sam.brailsford@virginmedia.com) as soon as possible if you are interested.

Rehearsal dates are:

Saturday 23rd June 11:00 – 12:30
Saturday 14th July 11:00 – 12:30
Saturday 21st July 11:00 – 12:30
Sunday 22nd July 1:30 – 3:30 Holiday Club set up and sound check.

Danni and Tony James are going to be renewing their wedding vows at CtK on Saturday 16th June. Anyone who would like to come is very welcome to join them for the service, which is at 2pm, and for tea and cake afterwards.

A praise / prayer item from our mission partners, Stewart & Michelle Ayling, in Arusha, Tanzania

This Sunday we are celebrating the 1st year of the church that has been meeting in our house. We've been amazed to see how God has grown the group to more than 50 now - so many that we are planning to start a 2nd group from September onwards. This weekend we are holding a 24-hour prayer event leading in to a celebration service and shared lunch on Sunday. Please join us in praising God for all that He's done in the church this year. Also pray for opportunities to use the celebration as an outreach into our community and for the practicalities of starting a 2nd group in a September. Thanks very much for praying for us
Stewart and Michelle

There is a lot of change happening in the world of summer conferences. Last week I announced the exciting news that the New Wine Summer Gatherings (United) are moving from Shepton Mallet to Peterborough from 2019. This is primarily about locating the gathering more centrally and therefore improving access for more people, particularly from the North - something which has been high on the agenda ever since the Newark conference had to close. But here in Kettering, we are of course prime beneficiaries, as the showground is only 30 minutes away from us. I look forward to many of us from CtK attending next year – you will even be able to pop home in the middle of the week!

At the same time Faith Camp announced that it is stopping after 2018. (It is not stopping because of New Wine, but the capacity freed up by Faith Camp stopping is one of the reasons why it is possible for New Wine United to move). I know that several members of CtK have attended Faith Camp over the years – I hope you will be able to make the transition to New Wine!

What did come as a shock to me was the decision of Soul Survivor (announced this week) to stop after 2019. I am aware that Soul Survivor has been a much loved and significant item in the calendar for many young people over the last few years. While the New Wine summer gatherings may go some of the way to filling that gap, I am aware that they do perform a different role, and so we will need to think about the shape of what we are doing in discipleship terms for all ages. Rob.

Open Doors Conference

Following the visit of Martin Cox last week, this is an early notice for the Open Doors Conference:
Date: 17th November,
Place: Bethel Conference Centre, Birmingham,
Time: 10.00am to 4.00 pm,
Cost if booked before 31st August is £10 per adult, or £7 each if booked as part of a group of 5 or more. Having attended last year, I can guarantee that it will be an inspiring, memorable and challenging event at which we will be able to hear speakers from North Korea, Egypt and India tell us about their experiences of being Christians in countries where persecution of Christians is rife.
I will be going, along with Roger Hamlet and a few others. Please have a word with me if you would like to go and do look at the Open Doors website for further details:
