### Can't Help at Holiday Club?

I realise that there are some people who would love to be part of this vital ministry but have to work. You will be pleased to hear that you CAN help 😊! We are putting together a reset team to come into church in the evenings and make sure everything is clean and tidy for the next day. Please think about being part of this team. Spending the whole morning involved in high energy children's activities is quite exhausting and having a team to reset each day will be such a help to everyone. Please contact Claire Dale, our Holiday Club team manager clairedale908@gmail.com Thank you, Jo

### HELP NEEDED!!!!

I am looking for a home for 2 small dogs during the two weeks from Friday August 3<sup>rd</sup> to Friday August 17<sup>th</sup>. Due to my recent accident it will be extremely difficult to cope with, travel with and care for my two small dogs while on holiday in the Isle of Wight. If you love dogs and feel that you could look after 2 small shorkies while I am away, then please contact me (Lisa Fry) on 07855 454070. I live at 9 Braemar Close Kettering if you feel you would like to meet Buddy & Bella and get to know them first. The weeks could be split if I get more than one offer of help.

## CtK:Connect

If you have recently started coming to Christ the King and haven't yet received an invitation to a CtK:Connect evening (or have been here some time and have never got to one), you are invited to join us at **8pm tomorrow** in Room 6.

(If you are new to us, the trigger for receiving an invitation is to fill in a welcome card).

In a church of our size, it can be difficult to get to know people beyond those in our Roots Group or other immediate contacts. CtK:Connect is an opportunity to join us for an evening (with drinks and nibbles), to relax together, find out a bit about each other, and to hear some thoughts about the direction of the church. Please let Rob, Eleanor or the Church Office know if you would like to come.

**A big thank you** for all the donations for my walk raising money for Cardiac Risk in the Young. 'Miriam's Marchers' have raised almost £1500. Nicola Lee

**New Wine United** have made some extra places available (for adults only) for Week 1 of the Summer Gathering at Shepton Mallett (28<sup>th</sup> July to 3<sup>rd</sup> August) which will be sold on a first-come-first-served basis. Book at [www.united18.info](http://www.united18.info)

### Stewards Needed for New Wine United

There is a significant need to recruit more stewards for New Wine United, particularly for week 2 (5<sup>th</sup> – 11<sup>th</sup> August). There are currently enough to run the site safely, but not enough to ensure a good delegate experience. It's the individual experience of feeling noticed and welcomed that will be lost and so your help is needed. You'll get a free place for the week and all your meals provided. Details at <https://www.united18.info> or talk to Rob.

### Sensory resource box

We would like CtK to be an enjoyable place for everybody to worship. We are aware that we are all different and that some people may struggle with things others take for granted. If you or a child/young person you bring to church has sensory needs, we now have a resource box behind the sound desk that items may be borrowed from during the service and returned again at the end. The box includes visuals for the aspects of the church service, ear defenders, and 3 different types of fiddle aid. If anyone has any questions regarding this, please speak to a member of the church leadership team or Diane Johnson (9am service)
